

To Our Dearest Friends, Family and Community....

It is with sad hearts and much sorrow that we have decided to cancel this year's Christmas Idea House.

This decision was not reached without much deliberation and consideration. Ultimately in the end we had to put the safety and health of our cherished attendees and our volunteers first. Unfortunately, there was no way for us to bring this beloved tradition to life this year without compromising one another's safety.

Instead we have decided to adopt several local families and or charities in various communities who are in need of our generosity and kindness. This will only be possible with the help of all of our supporters. We hope you will join us in our efforts to help these very special families.

Now more than ever it is important to focus on the rhythms that move us forward. We are choosing to embrace the spirit of giving, compassion, love and human kindness and we are so grateful for the platform we have, to join our community, in spotlighting ways to give joy to others.

Please visit our website later this month for more information about the families that we have selected and ways to "Join the Joy"!

Much Love and Blessings to you all!
